**FULLY AUTOMATIC TOP ONLY SIDE FLANGE SEALER
K503SFHM**

Designed and engineered for closing and sealing top side flange bliss cases containing poultry products. The model K503SFHM is a heavy-duty full-length model. The machine is equipped with vertical and horizontal crank screw for size adjust for quick change over. Also equipped with motorized heavy duty compression side belts for reliable side flange glue bonding. The compression side belts are also equipped with spring loaded rollers to compensate irregular case width from over packing. Also equipped with spring loaded top hold down bars to compensate top over pack condition. Up to 25CPM performance.

Standard 240Volt/3Phase/60Hz power with 480Volt as an option. Powder coated finish and zinc plating on all wear surfaces. Fully enclosed safety shields to prevent human contact during operation.

Case Sizes:

Min. 10.00"L x 10.00"W x 4.25"H

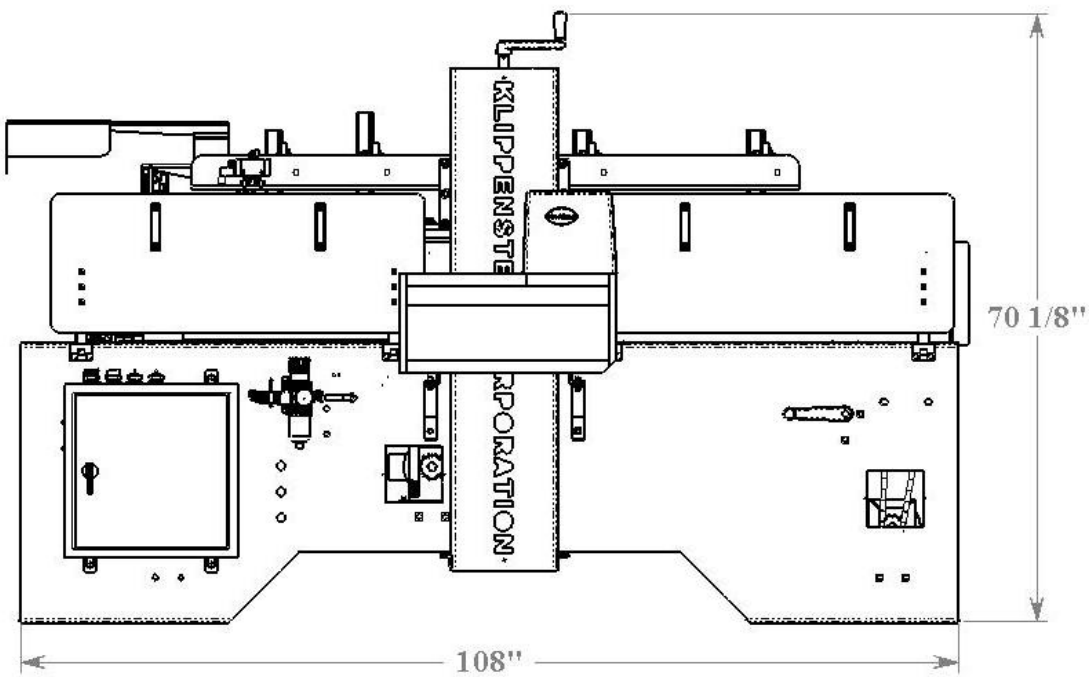

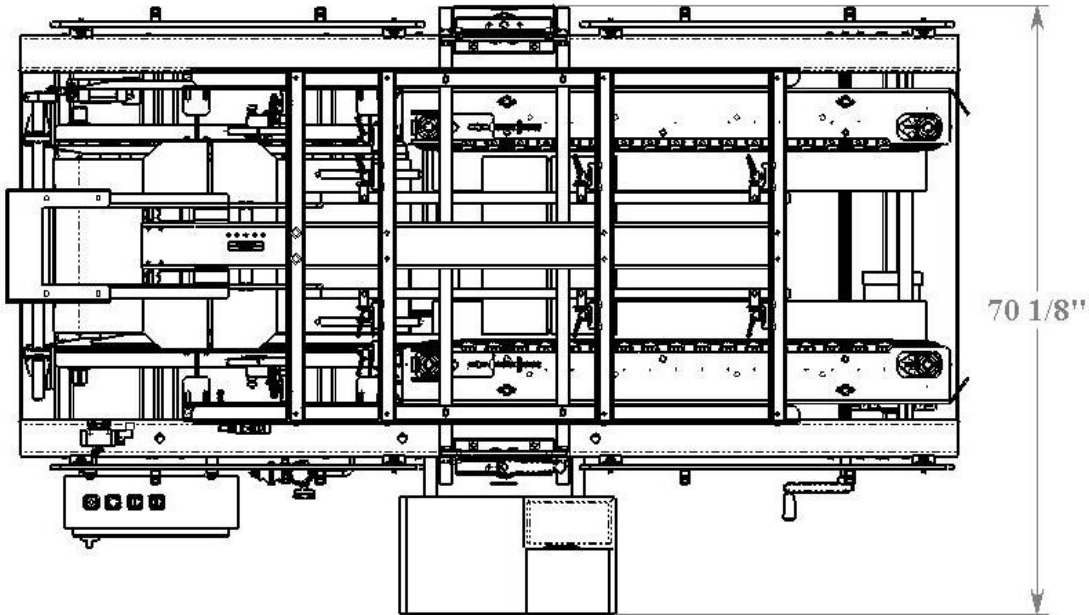

Max. 18.00"L x 22.00"W x 12.00"H

KLIPPENSTEIN CORPORATION has established itself as an enterprise, integrating leading edge technology into packaging solutions.
